ANOTHER SEASON BEGINS

Welcome back to another season at Las Verdes. We have been busy over the summer with continued landscaping, working with the county for the permit for night swimming, and planning some fun events. Please consider joining us!

The first POA meeting will be on October 12, at 7:00 p.m. in the Clubhouse; we look forward to seeing you there.

We hope you will take a look at our newly-designed website at www.lasverdespoa.com and find it a valuable tool to keep informed, as well as enjoy the photos of our beautiful campus.

Thank you for your support as we continue to strive to make Las Verdes a wonderful place to live.

They are happy to
teach newcomers.

Occasionally, they will
work on craft projects

usually brings a home-
made treat to share.

There is no cost, but they collect \$5.00 to go out to

12-15 people.

You are warmly welcome and will enjoy the friend-
ships and kindnesses of some beautiful Las Verdes
neighbors. Come learn how to knit or crochet!

**WOMEN'S CLUB INTEREST
MEETING COMING SOON**

Over the years the Women's Club has been ex-
tremely popular and successful. In addition to
hosting lots of events here at Las Verdes, they
have organized and taken interesting trips.

Events such as Music Bingo, Valentine's Blowout
Dances, wine and cheese parties, fancy dinners,
overnight trips to the West Coast of Florida, and a
stellar trip to Miami. This trip included a fabulous
sightseeing boat tour and a visit to Little Havana.

Lately interest has seemed to dwindle, but many par-
ticipants are hopeful there will be new interest. They
go "all out" for their meetings, so come see what this
entails.

Stay tuned for an "interest" meeting, and please con-
sider attending. You will have a ball!

FREE ZUMBA DANCE FITNESS CLASSES HELD TWICE A WEEK

Las Verdes offers two free Zumba classes every week in the Clubhouse. Zumba is the largest branded fitness program in the world created by Colombian dancer and choreographer Alberto "Beto" Perez and founded in 2001.

The songs are choreographed to take your heart rate up and down. Participants work out at their own level, and the choreography is simple to follow and visually cued. The group has a lot of fun together while getting a great workout. Zumba is suitable for

all ages and fitness levels.

Since Las Verdes has some owners who work during the day, we are wondering if there is interest in an evening class. Please e-mail: lasverdesnewsletter@gmail.com if you would participate in a class after work, 5:30 or 6:00 p.m.

SNOWBIRDS CLUB 2021-2022 EVERYONE IS WELCOME!

ITALIAN AMERICAN CLUB

The Italian American Club has been in existence here in Las Verdes for well over 30 years. To be a member, you must have Italian heritage or be married to someone with Italian heritage. The club meets monthly January - April and they have many fun events.

In January they have their "Welcome Back" pizza party where the Board is introduced. Other events have included an Appreciation Night, a St. Joseph Celebration, an annual picnic, and their big Mardi Gras-like event "Carnivale," which is on February 26 this next year.

We had fun together at the Labor Day Party on Sunday, September 5, dancing with the Sergio Rodriguez Cantante Singers and enjoying delicious catered food from Mario's. More photos on our website.

WHAT IS PICKLEBALL?

Pickleball was developed so people could have fun, so it only makes sense that the rules should remain simple. Even the most novice sports-inclined recreationalists are somewhat familiar with tennis, table tennis (ping pong) and badminton – all very similar racket sports. As luck would have it, pickleball is an amalgam of these popular games. As you read through the rules below, you'll see that pickleball borrows a little from each of the three sports.

SERVE

To begin the game, the ball is served diagonally over the net. The server will stand behind the service line of the right-hand service square and hit the ball underhand and below the waist. In order for the serve to be considered in play, it must clear the seven-foot no volley area and land in the service court left of where the server is standing. The server will alternate from right to left service areas after each service point, but unlike tennis where the server gets two attempts, only one serve is allowed in pickleball. However, if the ball hits the net and lands in play, the server gets another attempt.

SCORE

A player or team can only score a point when they're serving. The player or team continues serving until they make a fault, at which point the other team will take over the service. A team can score a point on a serve when the ball lands in the service area and the opposing team is either unable to make contact with the ball or hits it out of bounds or into the net. If the ball is successfully returned and a volley ensues, only the service team gains a point when the opposing team hits the ball out of bounds or is unable to make a return volley on a ball that drops in fair play. Each fault is worth one point to the serving team.

LINE-CALL

Your success at pickleball depends largely on your ability to hit the ball within the lines on the court. A line call is simply a verbal indication of whether the ball hit within the line or outside of it. For example, if a player shouts "out," that means the ball has traveled beyond the line and out of fair play. In most situations, the players are responsible for making objective judgments on line calls, each making the call on their respective sides. The code of ethics established by the USAPA says that if a call is in question, it should be "resolved in favor of the opponent."

FAULT

A fault ceases all play, because a rule has been violated. This can range from hitting the ball into the net during a serve or a return; failure to hit the ball before it bounces twice on a player's court; hitting the ball out of bounds; or if a player touches the net, either with their paddle, clothes or any part of the body, that's considered a fault. It's also a fault if the ball strikes a player. However, if the ball hits a player's paddle hand below the wrist, the ball is considered to be in play. Finally, hitting a player who is out of bounds is also considered a fault.

DEAD-BALL

When a fault has occurred, the ball is deemed "dead." Basically, any action that stops play will require declaring the ball dead. The ball will not be considered dead while it is in play until the moment it bounces twice. Players might also call a ball dead when anything hinders play, such as a stray ball that comes onto the playing surface or a person who disrupts play by walking onto the court.

NON-VOLLEY-ZONE

The non-volley zone is kind of like a "no man's land." The zone extends seven feet from the net on either side of it, and goes out to the sidelines. Players can't volley a ball while standing in this zone. Doing so will be considered a fault. Players will often try a drop shot volley, which is a shot that lands as close as possible to the net, preventing the opposing team from making a volley attempt. A successful serve is one that clears the net and also clears the non-volley zone line.

Pickleball rackets and outdoor balls can be purchase on-line and at sporting goods and big box retailers. Come out and give Pickleball a try!
